2006 SUBJECT INDEX

Case Management
Occupational Health Nurses and Case Management, 30

Continuing Nursing Education
ADN to BSN: Lessons from Human Capital Theory, 135
An Overview of Medicare Reimbursement Regulations for Advanced Practice Nurses, 59
Does a 'Shadow Workforce' of Inactive Nurses Exist?, 231
Impact of Disease Management Programs on Hospital and Community Nursing Practice, 338
Insurer Policies Create Barriers to Health Care Access and Consumer Choice, 204
Nurse Managers as Transformational Transactional Leaders, 179
Organizational Characteristics and Their Effect on Health, 67
Overcoming Barriers to Patient Safety, 143
Perceptions of Empowerment and Intent to Stay, 13
Promoting Nursing as a Career Choice, 94
The Role of E-Health in the Changing Health Care Environment, 283

Editorial
Boomers: Bottlenecked, Bored, and Burned Out, 57
It Takes a Village, 5
Makinig and Breaking New Year's Resolutions, 281
The Oldies Are Goodies, 177
We Gather Together..., 229
Where Oh Where...?, 125

Health Care Economics
An Overview of Medicare Reimbursement Regulations for Advanced Practice Nurses, 59
Hospital Nursing Costs, Billing, and Reimbursement, 239
Influence of Hospital Context on Cost and Length of Stay Following Cardiac Catheterization, 246
Inpatient Nursing Unit Volume, Length of Stay, Cost, and Mortality, 298
Insurer Policies Create Barriers to Health Care Access and Consumer Choice, 204

Health Policy and Politics
High-Performance Health Care: How Do We Get There?, 265
Let's Push the 110th Congress to Tackle the Health Care Crisis, 333

Human Resource Solutions
Evaluating Recruitment Process Through 'Mystery Shops,' 263
Human Capital Management: Implications for Health Care Leaders, 218
Recruitment and Retention Metrics: Implications for Leadership, 328

Leadership Roundtable
Innovation Lies Awaiting, 272
Interships: A Glance Beyond the Bedside, 331
Managing People or Places?, 45
Paving and Resurfacing the Road to Magnet: The Perspective and Wisdom of Magnet-Designated Coordinators – Part I, 112
Paving and Resurfacing the Road to Magnet: Part II, 156
Paving and Resurfacing the Road to Magnet: Part III – Unique Organizational Characteristics, 213

Nursing Education
Graduate Nurse Perceptions of the Work Experience, 150
Occupational Commitment, Education, and Experience as a Predictor of Intent to Leave the Nursing Profession, 86

Nursing Job Satisfaction
Antecedents and Consequences of Nurse Managers' Perceptions of Organizational Support, 20
Does a 'Shadow Workforce' of Inactive Nurses Exist?, 231
Graduate Nurse Perceptions of the Work Experience, 150
Hardiness, Stress, and Use of Ill-Time Among Nurse Managers: Is There a Connection?, 187
Occupational Commitment, Education, and Experience as a Predictor of Intent to Leave the Nursing Profession, 86
Promoting Nursing as a Career Choice, 94
Stress and Coping in Nurse Managers: Two Decades of Research, 193
Why a Well-Paid Nurse Is a Better Nurse, 127

Nursing Salary
Which Pasture Is Really Greener? A Research Note on Salary Studies, 131
Why a Well-Paid Nurse Is a Better Nurse, 127

Nursing Workforce
Antecedents and Consequences of Nurse Managers' Perceptions of Organizational Support, 20
California Regional Registered Nurse Workforce Report Card, 290
Does a 'Shadow Workforce' of Inactive Nurses Exist?, 231
Graduate Nurse Perceptions of the Work Experience, 150
